NATURE OF BUILDING WORKS

.....

.....

An application for a building permit at the above address has been lodged with Whittlesea Building Services. Please accept this form as a request to do the work as an owner/builder. I understand that as an owner/builder, no insurance policy is in place, and I acknowledge my responsibilities under the Building Act 1993 and the Building Regulations 2006.

If circumstances change and a Building Practitioner is engaged to carry out the building work, their registration details will be provided to the Municipal Building Surveyor for approval before works commence.
